6. Final thoughts

# Governor's Budget Priorities

Division of Health Care Financing  
Budget Initiatives and Long-Term Care Reform - April 6, 2005

# Governor's Budget Priorities

- Investing in Wisconsin's children
- Preserving the health care safety net including Medicaid, SeniorCare and BadgerCare
- Giving more choices to older people and people with disabilities to receive long-term care in the community
- Increasing patient safety and reducing health care costs through quality and technology initiatives
- Using taxpayer dollars more wisely and efficiently
